### Duckhorn 2019 Napa Valley The Discussion

\$180.00

While the Duckhorn portfolio focuses on varietal wines, The Discussion is a departure: Renée Ary selects this fruit from her team's favored vineyard parcels. In this vintage, that selection is 67 percent cabernet sauvignon, 31 percent merlot, with a little malbec and cabernet franc. It's fragrant and soft, the velvet texture flowing with raspberry fruit, ripe to the point of melting. The tannins touch on peppercorns and espresso roast, a streak of green and black. Bright and crunchy-crisp, the wine has green-herb cabernet scents infusing its lush, easy richness. It will meld with the rosemary of a roast chicken. —J.G. (2,897 cases)
